Features

A powerful air movement fan designed to meet the needs of industrial, commercial, retail and leisure applications.

From a gentle breeze to a powerful surge of cool air, the Cool Energy Rapid Fan 500 will provide instant, controllable air movement wherever it is needed.

Rapid Fan 500 is available in 230v and 110v versions.

Portable and free standing with easy carry handles.

A simple adjustment can be made to give directional airflow both vertically and horizontally for maximum efficiency and flexibility.

Benefits

- Ready to use
- Low running costs
- Variable airflow speed control
- Easy to maintain
- One year warranty
