Features

This single fan office air conditioner and heater with large volume air movement of 330m³/hr is ideally suited to cool and heat office areas and workplaces.

The Cool Energy KYD32 unit has been designed for a fast rental installation cooling and heating areas up to 27m³.

The unit operates from a standard 13amp single-phase supply and has a single 2.5m 5" rejection hose.

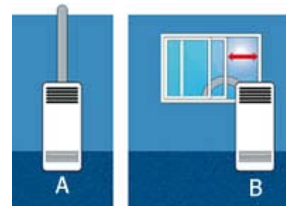

In addition to this, the unit is entirely portable and has castors. This allows for easy movement when cleaning around this lightweight unit.

Benefits

The 3.2kW air conditioner (11,000 Btu/hr) and heater is a freestanding unit and can direct cold and warm air to specific areas by utilising the twin adjustable air ducts situated in the front of the unit.

The unit also has 3-fan settings to regulate the speed of the cool air and has its own integral condensate tank.
